

Re: docket 04-233

Sinclair Broadcasting and its stations use public airwaves and pay little if anything for the privilege. By law, Sinclair must serve the public interest. Engaging in partisan politics by ordering all stations to air an anti-Kerry program mere days before the election neither serves the public interest nor qualifies as news.

In fact, such behavior reveals Sinclair Broadcasting to be a puppet of the Bush Media Regime, and not worthy of the American people's time or attention.

Given Sinclair's blatant refusal to abide by the legal rules governing our media, I respectfully request you deny any license renewal request by Sinclair Broadcasting.

Please take immediate action to restore the ethical standards of the FCC and our national media. Thank you.
